adidas Originals Stan Smith again this year, much attention, in addition to brand launch of their own color, the brand and different units to cooperate in the introduction of other note style is also more than a lot of eye disorder. This street of the United States brand The Hundreds and Adidas jointly launched Stan Smith Vulc version of shoes by the design, the shoe body with black suede as the main theme, with details of stamping design as decoration, and the tongue of Stan Smith portrait is replaced by The Hundreds two bit Hundreds and Ben host Bobby Hundreds.

It seems that LeBron James on the freshly baked LeBron 13 is still quite satisfactory, and this time on the Instagram show their own customized version created by NIKEiD. This kind of shoe to pink and purple foil sudden lightning, meaning himself in the game the suddenness of the breakthrough ability, while the Hyperposite and the details are made of black decoration, on behalf of their own body as strong as iron and defensive ability, finally with the luminous outer bottom end.
