Why the new boots Anthony is not there? The question seems to have been bothering us for a long time, but today the Internet has finally given us the answer. The Melo M11 compared with the previous generation does have a lot of improvement, the overall improvement in both support and stability, in the end using Flight Plate technology, and whether it is bottom lines or overall structure has a disruptive change. Although Anthony has secretly passed through the shoes to warm up, but it has not been used in actual combat. At present, the shoe has not yet been exposed to specific sales information

adidas can savage rise, Kanye West absolutely can not do nothing. After combining their powerful influence with Adidas's athleticism, Yeezy became the only sneaker that could rival Air Jordan. The day before Kanye appeared in Calabasas, and his feet a pair of new YEEZY Runner once again become a hot topic. Its retro lines revealed a strong figure, and 3M reflective details also make this paragraph more suction eye, but the whole black design or to make the whole slightly calm.
